

2025 GENERAL JACKSON SHOWBOAT EVENING CRUISE

FEATURING **MUSIC CITY NIGHTS** IN THE VICTORIAN THEATER

FEBRUARY 15 - NOVEMBER 9, 2025

Music City Nights is the General Jackson Showboat's dinner cruise stage production featuring some of Nashville's premiere singers, dancers, and musicians with vibrant choreography and costumes, authentic country music "picking and singing," and a mesmerizing multi-media display.

The magical musical journey through Nashville's diverse nightlife begins with a salute to country music's legends, from Hank Williams and Patsy Cline to Johnny & June. The grand journey continues as we feature top hits from Grand Ole Opry icons like George Jones, Tammy Wynette, Conway Twitty, and Loretta Lynn. We'll also celebrate country's greatest musical generation, "90's Country," by performing signature hits from award-winning artists like Garth Brooks, Shania Twain, and Reba McEntire. Because Nashville's nightlife isn't just country music, throughout the night we'll jam out to some southern rock, soul, and rhythm & blues. The entertaining evening's finale highlights modern day Music City with the hits of today's hottest, country superstars like Chris Stapleton, Lainey Wilson, and Luke Combs.
